Subject: KVS PM e-VIDYA CHANNEL- Reg.

Madam/Sir,

A comprehensive initiative called PM e-VIDYA is launched by our Honorable Prime Minister which unifies all efforts related to digital/online/on-air education to enable multi-mode access to education. It is a matter of pride for us that KVS PM e-Vidya is one of the 200 channels under PM e-Vidya. It has been prepared and presented by KV teachers. This channel has quality video content which is an appropriate mixture of content, pedagogy and technology.

This channel is available on channel no. 16 on DTH. It is available on YouTube too. The link is-

https://www.youtube.com/channel/UCW8_s0dBUWwFUNfnkSNqCA

A wide publicity of this channel is required so that the students and teachers are benefitted. These videos can be shown to students on many occasions such as revision, arrangement period when a teacher is on leave, no teacher available due to vacancy, etc.

Links have been provided to access the learning resources, and children would be able to learn at their homes with ease and at their own pace. More videos will be added to this repository in future. These links may be circulated to all schools for the optimum utilization of this valuable resource.
